

Northern District of Alabama, and I certainly commend him for this accomplishment. At the time of his appointment, Judge Putnam was the youngest magistrate judge in the country at age 32.

Instrumental in the expansion of the role of magistrate judges, Judge Putnam worked to highlight their value in the judicial process. He acted as the chair and vice chair of the Northern District's Criminal Justice Act Administrative Committee, playing a significant role in ensuring the highest quality of representation of indigent criminal defendants in the Northern District under the Criminal Justice Act.

Judge Putnam is widely known for his volunteer work at the Cumberland School of Law in Birmingham, AL. He has taught a pretrial practice and procedure class since 2006 and directed many trial advocacy and moot court programs. The Cumberland School of Law named Judge Putnam the 2019 recipient of the Friend of the Law School Award in recognition of his time and dedication to the betterment of students at Cumberland. The Young Lawyers Section of the Birmingham Bar Association also selected him for the Judge Drayton Nobles James Award in 2016, where they honored his spirit of volunteerism.

As an advocate for the Northern District, Judge Putnam played an active role in using technology to improve efficiency. He has been a judicial resource for the Office of the Clerk while implementing procedural changes to the electronic filing system. Judge Putnam led the Court in establishing the eVoucher system, making it easier for attorneys and courts to process vouchers for appointed counsel in criminal cases.

Judge Putnam received his bachelor of arts from the University of Alabama and his juris doctorate from the University of Alabama School of Law. He graduated in the top 5 percent of his class and was a Hugo L. Black Scholar.

Judge Putnam's contributions to Alabama's judicial system are truly remarkable and will have an impact for generations to come. I am proud to take this time to recognize and thank him for his service to the people of our great State and his unwavering commitment to the rule of law. I join Judge Putnam's friends, family, and colleagues in wishing him the best of luck as he transitions into a new chapter of his life.●

PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-63. A resolution adopted by the Senate of the State of Georgia urging the United States Congress to pass funding legislation that will secure the southern border of the United States; to the Committee on Appropriations.

SENATE RESOLUTION NO. 114

Whereas, it is imperative that the United States Congress pass the laws needed to provide the necessary funding for securing the southern border of this great nation; and

Whereas, the growing crisis of illegal immigration threatens the security of United States citizens; and

Whereas, in 2017 and 2018 alone, approximately 235,000 illegal immigrants were arrested; more than half of those arrests were for violent crimes against Americans, 4,000 of whom were murdered; and

Whereas, each week, 300 Americans die of using heroin that comes to this country through drug smuggling at our southern border; and

Whereas, a high steel barrier along 234 miles of this nation's southern border would effectively prevent illegal immigrants and contraband from reaching the United States; and

Whereas, the Trump administration has requested \$5.7 billion for the construction of a steel barrier along the southern border, \$4.2 billion for detention center materials and personnel, \$563 million for additional immigration judges and support staff to reduce the backlog of immigration cases, \$211 million for additional border patrol agents, \$571 million for additional ICE personnel, and \$675 million to prevent illegal drugs and weapons from crossing our borders; and

Whereas, Congress has not yet responded to the Trump administration's request to secure the nation's southern border; and

Whereas, if Congress imposed a tariff on all moneys wired by individuals with no proof of citizenship or who are not in the country legally, it would provide the funding for the necessary infrastructure to secure the southern border: Now, therefore, be it

Resolved by the Senate, That the members of this body urge Congress to pass funding legislation that will make the security of the southern border of the United States a reality; and be it further

Resolved, That the Secretary of the Senate is authorized and directed to make appropriate copies of this resolution available for distribution to the President of the Senate, to the Speaker of the United States House of Representatives, and to each member of the congressional delegation from this state.

POM-64. A resolution adopted by the Senate of the State of Georgia urging the United States Congress to award the Congressional Gold Medal to the World War II Merrill's Marauders; to the Committee on Banking, Housing, and Urban Affairs.

SENATE RESOLUTION NO. 466

Whereas, in August, 1943, President Franklin D. Roosevelt and British Prime Minister Winston Churchill proposed creation of a top-secret, "expendable" American ground unit to engage in a "long-range penetration mission" behind enemy lines in Japanese occupied Burma to cut off communications and supply lines and capture northern Burma's only strategic, all-weather Myitkyina airfield; and

Whereas, President Roosevelt issued a 1943 call for volunteers for "a dangerous and hazardous mission," answered by approximately 3,000 American Infantrymen from stateside, the Caribbean, and the South Pacific, representing 15 ethnic groups from every state and including a Bataan Death March survivor, Nisei interpreters, a Native American code talker, and Pearl Harbor survivors; and

Whereas, the top-secret unit, expecting no survivors, was officially designated in January, 1944, as the 5307th Composite Unit Provisional (CUP), code-named "Galahad," which later became known as "Merrill's Marauders," after their leader, Brigadier General Frank D. Merrill; and

Whereas, in February, 1944, the Marauders began their approximately 1,000 mile march through dense Burmese jungle and up the Himalayan Mountains with no artillery support, carrying only what they could pack on their backs or mules, and would become the first Americans to engage the Japanese on the ground in Asia and the first Americans to fight there since the 1900 Boxer Rebellion; and

Whereas, the Marauders fought valiantly during their five-month march to the Myitkyina airfield, defeating the much larger and better equipped elite Japanese 18th Division in five major and 30 minor engagements, and no other WWII U.S. combat force, except the First Marine Division which took and held Guadalcanal for four months, experienced as much uninterrupted jungle fighting; and

Whereas, the Marauders endured starvation, disease, monsoons, and isolation, which were exacerbated by inadequate aerial resupply drops, and malaria, typhus, dysentery, and other jungle maladies inflicted more casualties on the Marauders than the Japanese; and

Whereas, only several hundred Marauders remained fit enough, after climbing the Himalaya's disease infested, 6,100 foot Naura Hkyat Pass, to seize their objective of the Myitkyina airfield, which enabled supplies to be flown into Burma to connect the Ledo and Burma roads so a crucial Allied pathway could be forged into China; and

Whereas, on August 10, 1944, when the 5307th CUP was deactivated, without even a formation, only about 100 skeletal-looking Merrill's Marauders were left in Burma with the remainder evacuated due to jungle diseases, exhaustion, and malnutrition; and

Whereas, for their bravery, sacrifice, and success, Merrill's Marauders were awarded numerous medals and decorations, including the Presidential Unit Citation, and each member of the 5307th CUP has the "rare distinction" of being awarded a Bronze Star; and
